## Argeles sur Mer

# Welcome to Voyager Adventure

**Voyager Adventure provides bespoke and exclusive multi-activity holidays for UK schools at a selection of hand-picked destinations in Europe, including Argeles-sur-Mer on the Mediterranean.**

Nestled on the French side of the Pyrenees, Argeles-sur-Mer is a stunning adventure destination, offering a superb watersports programme in a safe environment, a vibrant town with plenty of free time attractions, plus a great selection of local excursions.

Voyager organises everything needed for a successful and safe trip. The programmes we provide deliver excitement and fun, as well as the opportunity to develop new skills, in safe, carefully selected environments.

Our fully qualified instructors know how to bring out the best in children. The Voyager staff team stand out for their maturity, professionalism and sense of fun, ensuring success for all, instilling confidence and a true sense of achievement.

Finally, all monies paid to Voyager are protected. Voyager is fully bonded through ABTA and ATOL.

## Safety is paramount

With so many physically challenging activities on offer, safety is always our primary concern. Our tried and tested procedures are externally audited by Adventuremark and have been awarded the Learning Outside the Classroom Quality Badge which assures teachers and parents of the safety and quality of our operations.

All our instructors are fully trained and hold National Governing Body qualifications in the sport they teach, plus all activities have an appropriate operating licence and suitable levels of Public Liability Insurance.

## The Activity Programme

Our watersports programme includes Sailing, Kayaking, Windsurfing, Paddle-Boarding, Snorkelling and a Pyrenees river descent. Many schools also visit the local, man-made Canyoning and High Ropes centre, offering the opportunity to experience these exhilarating activities, in a very safe environment.

The activity programme is complemented by visits to local attractions which could include Barcelona, the Dali museum in Figueres, Waterworld and Aqualand.

Finally, we also run a full programme of evening activities, to ensure students are entertained from dawn to dusk.

## Accommodation

Voyager have two school villages on the 4\* Taxo Les Pins caravan park. Students are accommodated in well appointed caravans. Park facilities include swimming pool complex, tennis, volleyball, football and petanque.

Students burn off lots of energy on adventure activities, creating big appetites. We understand young people demand good food and plenty of it. Our restaurant works hard to provide a variety of well balance and nutritional meals, including vegetarian options and responding to dietary requirements.

## Travel Information

Voyager takes care of everything, whether return coach travel or return flights. We have built up long standing relationships with key coach suppliers to ensure our groups receive a quality service. In terms of flights, Voyager holds its own ATOL licence for all air arrangements.

Please turn over for a suggested kit list
